## Subject of Methodist Sermon Told

"What Can A Christian Believe About Hell" will be the theme for the sermon by Rev. Clarence E. Miller of the First Methodist Church of Torrance, next Sunday morning, April 30, at the 11 a.m. service.

"This theme, although not as popular today as in the past, still is important and many ideas regarding it need to be considered in the light of present-day theological scholarship," stated Rev. Miller in announcing the theme.

## Lutheran Churchmen Attend L. A. Convention

Pastor Paul Wenske and Mr. Royal Friedly are attending the California District convention of the American Lutheran Church being held this week at Messiah Lutheran Church, Manchester and Buidling in Los Angeles. Rev. E. E. Bridesweiser is pastor of this church.

A new district president is to be elected at this meeting to succeed Rev. Konrad Koussnan. Dr. Em. Poppen, national president of the American Lutheran Church, will be there to give a report of the state of the church.

The convention began Monday evening and will continue through today.

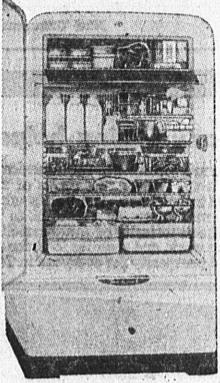

## Double Services On Sunday Set By Methodists

At a recent meeting of the official board of the First Methodist Church it was voted to begin double morning services beginning on Mother's Day, May 14. The first service will begin at 9 a.m., with Sunday School for the children from the third grade down beginning at the same time. All children from the fourth grade up are invited to join their parents in the 9 a.m. church service. At 10 a.m. there will be a brief meeting of the Junior, Intermediate and Youth departments, after which they will divide into the usual classes by grades. The adult and young adult classes will also meet at 10 a.m. Those desiring to attend the 11 a.m. service may come to Sunday school at 10 a.m. and then remain for the second service, according to Rev. Clarence E. Miller, pastor. This first service will be very similar to the second but will be adapted to the needs of the children and youth, as well as the family group. With this schedule the whole family, from the two-year-old child in the nursery class to the aged grandfather and grandmother, may come together at 9 a.m. and leave together at 10:45. The nursery for young children will be continued during the 11 a.m. service.

ONLY THE **SERVEL** REFRIGERATOR STAYS SILENT, LASTS LONGER

Come see the famous Servel Gas Refrigerator—only refrigerator that stays silent, lasts longer. Its freezing system has no moving parts. Just a tiny gas flame does the work.

Over 2,000,000 have Servels (many of them 18 and 20 years). They say, "Pick Servel. It stays noise-free, wear-free."

## 'Punishment' Science Topic

The Golden Text of the Sunday Bible Lesson on "Everlasting Punishment" in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, will be this verse from James: "Draw nigh to God and He will draw nigh to you. Cleanse your hands, ye sinners; and purify your hearts, ye double minded."

A Scriptural citation from Matthew reports that "Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all manner of sickness and all manner of disease among the people. . . . Then was brought unto him one possessed with a devil, blind, and dumb; and he healed him, insomuch that the blind and dumb both spake and saw."

In "Science and Health with Key to the Scriptures" Mary Baker Eddy writes: "In our age Christianity is again demonstrating the power of divine Principle, as it did over nineteen hundred years ago, by healing the sick and triumphing over death." "Every day makes its demands upon us for higher proofs rather than professions of Christian power. These proofs consist solely in the destruction of sin, sickness, and death by the powers of Spirit, as Jesus destroyed them."

## Torrance Church First To Give

First of 148 Christian churches in the southwest to make a contribution to the current \$225,000 fund raising program being carried on by Chapman college, Los Angeles, was the First Christian church of Torrance.

Rev. Cecil J. England of the church formally presented the contribution to the college last week, according to an announcement by Wilbur Tunison, chairman of the Church Appeal for the campaign.

## Minister Plans For Visit From Fellow Lions

Members of the Torrance Lions Club of which Reverend U. S. Schauer is a member, will be the guests of the pastor at the 11 a.m. service this Sunday at the Central Evangelical United Brethren Church. Rev. Schauer has chosen as his sermon topic, "Why Go to Church?"

The Youth Fellowship, which meets at 6:30 p.m., is expected to participate in the evening service at 7:30 o'clock. The pastor's subject at the evening service will be "Let's Be Sensible."

## Male Quartette To Sing Sunday

Songs you like to hear sung in southern style are the specialty of the Ozark Male quartette which will sing in the Torrance Foursquare Church, 1207 El Prado, Sunday at 7:30 p.m.

The quartette will sing as part of the evangelistic campaign now being conducted for the church by Evangelist Tommy Hicks.

The Rev. Mr. Hicks, who was given an enthusiastic welcome on his return to the Torrance church for the first time in two years, preaches every night at 7:30 except Monday and Saturday.

He will preach at 10:45 Sunday morning.
